Volunteer to read one-on-one or in small groups with infant to 3 year-old or 2 to 5 year-old children that are part of Next Door's programs. Come with a friend, or recruit a group from your company, congregation, or school.

By expanding the number and frequency of reading experiences Books for Kids inspires young people to develop an appreciation and love for books. As a result, Milwaukee children improve reading fundamentals, school preparedness, and their chances of achieving long-term academic success.
