2019 marks a momentous year for Next Door – our first 50 years serving the Milwaukee community. Join us October 3, 2019, for our final event of the year celebrating this milestone anniversary.

Through your support of our 50th Anniversary Celebration, you can help Next Door create a strong start to life for Milwaukee children living in poverty. Our dedicated and compassionate team works with nearly 1,400 children – and their families – to provide high quality early childhood education programs that get them ready for success in school.
