

Meet the Family Advocate

About Me

I have been working in Head Start for 9 years. My first 2 years were spent in Early Head Start as a Parent Educator. The last 7 years I have been a Family Advocate. Prior to working in Head Start I worked in the child care field as a Assistant Director of a center. I have also taught in Milwaukee Public Schools and Wauwatosa School District.

Personal Statement

Parents are the ultimate role models for children. Every word, movement and action has an affect. No other person or outside force has a greater influence on a child than a parent.
