

Meet the Family Advocate

About Me

I have over 35 years working in the youth development field. My early childhood work experience began as a Child Development Program Specialist with the Boys & Girls Clubs of greater Milwaukee. I created, facilitated, and managed the Pals program for youth ages 5-8. I have also worked with numerous youth serving agencies : COA Youth and Family Center, Holton Youth Center and Lake Valley Camp. I have been employed as a Family Advocate Specialist with Nextdoor Foundation for 3 years. I truly ENJOY working with children and families. I am looking forward to a positive and productive school year.
