

# Meet the Coach

## About Me

I have a Bachelor's Degree in Early Childhood Education and Psychology from Ripon College. I am currently working towards my Master's degree in Curriculum and Instruction through University of Kansas.

I have been in the Early Childhood and Special Education field for 7 years now. I have always loved being a preschool teacher and now I have an amazing opportunity to support the teachers!

## Schedule

Email will be the best way to communicate as I will be working from home as well as in the building.

My office hours will vary to meet the needs of the teachers I am working with and to accommodate work responsibilities.

## Personal Statement

I am a fur mama to a pitty named Augustus, who is my world. I have two nieces and one nephew that I love more than anything. My favorite things to do outside of work include; exercise, garden (I'm trying), and make pasta sauce.

As an Instructional Coach, I will be supporting teachers to ensure our students are getting the best education here at Next Door Foundation. When our teachers are successful, our students are successful!
