

Meet the Family Advocate

About Me

I have worked in Head Start for over 27 years. I enjoy working with families and empowering them. I believe that parents are their children's first teachers and as educators we are to work together to help the child enjoy their educational experiences.

Personal Statement

"At the end of the day, it's not about what you have or even what you've accomplished, it's about what you've done with those accomplishments. It's about who you've lifted up, who you've made better. It's about what you've given back."
