

Meet the Family Advocate

About Me

Hello families and staff, I hope you are having a great morning. I am a Family Advocate Specialist for Early Head Start as well as Head Start children in rooms (106, 109 and 120). I have been working in Head Start and with children for 8 years. I have spent my career as a Lead teacher working with children, youth and adults with disabilities. I have an Associate Degree in Human Service and a Bachelor Degree in Psychology. I look forward to utilizing my education and skills to ensure you and your family are successful at home, school and in the community.

Schedule

Monday - Friday 8:00 am - 4:00 pm

Personal Statement

Because time will continue to move forward, you might as well spend it accomplishing something rather than spending it doing nothing.
