

# Meet the Teacher

## About Me

I have been working in childcare for over 15 years. I have directed and worked in childcare centers. I have also worked with in MPS and hospital settings.

## Personal Statement

I enjoy working with children. To see a student understand and have the "light bulb" moment when they figure out things is awesome!

My Philosophy:  
Invest in the future. Invest in our children.

**Ms. Kizzy Alexander**

## Schedule

7:30 am - 5:30 pm.
