

Meet the Teacher

About Me

I began my Early Childhood career more than 20 years ago as a Preschool Teacher. I was quickly promoted to Director, then moved to Regional Director, and later an Infant Toddler Instructional Coach. Many of those years were spent with Head Start centers and teaching-working as an Early Childhood Instructor. I have a degree in Early Childhood Education, M.S. In Education, and Families Studies, and a Certification in Infant Mental Health.

Schedule

Monday-Friday 8:00 am to 4:30 pm

Personal Statement

The first 5 years of life are the most critical of one's life. I believe the investment we make in small children is the single most important investment we can make to our society. When we prioritize high quality childcare along with support for families, we can greatly change the trajectory of the children and families we serve. I am very passionate about the work I do with children and families and I am very excited to be working for Next Door.
