

# Meet the Teacher

## About Me

Hi! My name is Caitlin Campbell and I just graduated from the University of WI- La Crosse with a degree in Early Childhood Education. I have experience working with children being a camp counselor, a nanny, and as an associate child care teacher. During my time at UWL I had clinical experiences with 4K, 5K, 1st grade, and 2nd grade. I loved each experience yet 4K stole my heart and I couldn't be more excited to begin my teaching career in this classroom at this age level!

## Schedule

Our classroom is open from  
7:30 am - 5:30 pm.

## Personal Statement

"Education is the most powerful weapon to change the world" by Nelson Mandela is a quote that I prioritize in my teaching. It is my goal to use my power as a teacher to help my students grow with an open mind and open heart in our growing, everchanging society. Not only that, I want my teaching to make a difference for my students. I hope to make my students' learning as memorable and fun for them as my education growing up was for me. That being said, I am looking forward to an awesome year with this amazing group of students!
