

Meet the Teacher

About Me

I have 9 years of experience working in early childhood education. I've worked with various age groups ranging from birth to 5 years. I have worked with students with special needs for two years. I obtained my Infant and Toddler and Preschool Credential through Milwaukee Area Technical College. Currently I am obtaining an Early Childhood Teacher Apprenticeship with Milwaukee Area Technical College .

My Availability:
Monday - Friday 7:30 am - 3:30 pm

Class Schedule:
Monday - Friday 8:00 am - 3:00 pm

Personal Statement

I am passionate about early childhood education I adore working with children. I am deeply committed to providing a safe , learning and nurturing environment for children. I want to motivate and instill enthusiasm for learning in children, making a great impact .

It's going to be a great year full of new friends, adventures , and new discoveries. I look forward to a thrilling school year.

The influence of a great teacher could never be erased.
