

Meet the Teacher

About Me

I have a loving husband and two kids named Leo and Tucker who happen to be turtles. I love animals but my favorite is dogs. I am into arts and crafts and you will see me sporting The Little Mermaid in my apparel and handbags. I am a people person, very outgoing and loud. I love to laugh and have a good time. I am a GEMINI take that how you will!

I AM WHO I AM!

Personal Statement

I have found working with young children keeps me young as well. I love to laugh and learn with my students. I really want my students to excel academically and socially. My main goal for my students is for them to keep striving to learn. I love for parents to take part in activities inside the classroom and really try to keep them involved as much as possible. I look forward to working with the families and helping them as a whole.
