

Meet the Teacher

About Me

I have taught in Early Education and childcare for over 20 years. I have been in the role of Supervisor, Administrative Assistant, Cook and Lead teacher. I have a vast amount of knowledge and experience with children. I have been with Next Door for 2 years now and I have enjoyed my experience here with the staff and children. I also have experience in the medical field which helps when you working with young children.

Schedule

Personal Statement

I believe children learn in a variety of ways and on all different levels. I think we have to help our children be great by challenging them and rewarding them. I know from experience children enjoy trying new things and mastering new things.
