

Meet the Teacher

About Me

I have been working as an early head start teacher at Next Door Foundation for one full year. Before working at next door I was a lead teacher at a day care, worked as a substitute teacher at a variety of schools in Milwaukee and did some work abroad. I taught English in Thailand in 2016 working with Pre K-9th graders, and volunteered at an orphanage in Ghana working with all ages including infants.

Schedule

G126 will be open from 7:30 am - 5:30 pm.

Personal Statement

Over the years I have learned the importance of Early Childhood education and I am strongly passionate about having a positive impact on the children in my classroom. I love to laugh and be silly and hope through care, support, and encouragement I will be able to gain the trust of the children in my room and begin to have an impact on their development.

"No significant learning can occur without a significant relationship."

-Dr James Comer.
