

Meet the Teacher

About Me

I have worked with children of all ages and ethnicities since 2008. I enjoy working with Head Start children and their families at Nextdoor.

I enjoy watching the students grow within the classroom. I love to see the smiles on their tiny little faces. The best thing of all is receiving hugs, high-fives and the personalized artwork just for me....That brightens my day :)

Schedule

Monday - Friday 7:00 am - 5:30 pm
I usually work from 8:00 am - 4:30 pm

My classroom doors are always open to parents anytime here at Next Door for any assistants they may need.

Personal Statement

I bring laughter and joy to the classroom and very passionate about helping children grow and learn.

I enjoy the hands on experience of learning through play with the young students.

I love teaching because I love to hear the excitement in the children's voices and see the joy on their faces when they grasp a new concept or skill. Watching them share their excitement with teachers, friends and family is extremely rewarding to me.
