

Meet the Teacher

About Me

My name is Amanda Olejniczak and I am so excited to start this new school year! I was born originally in Green Bay, Wisconsin and then moved to Milwaukee where I studied and received my Bachelor's degree in Early Childhood Education at UWM. I have been living here for 9 years and have been a team member of Next Door for 5 years. I enjoy spending time with my friends, family, and new puppy, Leroy. I also like to be active and try new restaurants in my spare time.

Personal Statement

"Teachers who love teaching, teach children to love learning"
