TSG Objective 13:

Use classification skills

Tra'mund took his family's picture from the shelf, he matched it with his family's picture that is displayed on our classroom wall.

29th St. - Room 129 - Early Head Start

Miliani Mason has officially begun walking.

Look at her
spectacular balance

as she pushes the walking toy!

Creative Curriculum Studies

nextdoor

During the clothing study
the children in Room 65 are

learning about how
clothes are made.

Ms. Pat demonstrates knitting as the
children observe the needles working
the yarn into a scarf.

29th St. – Room 65 – Head Start 3

We are playing and learning in our Clothing Unit.

Our friends here are doing laundry and hanging the clothes up to dry.

Capitol - Room 113 - Head Start 3

K4 student architects are
building a city
using different
materials.

29th Street – Room 213 – K4

An on-going project in 229 is represented in these pictures. After discussing how buildings have doors and windows, the children

designed their own buildings and then wrote about them.

bulletin board outside our classroom!

Highlights

nextdoor

Nothing beats easing into a Monday with
a little help from Mom
with morning work.

29th Street – Room 133 – K5

From letters to words to sentences!
Our K5 students are focused on
writing sentences
with spaces between
each word.

In Room 226, they read “Ten Black Dots” and made art with ten black dots. This activity connected reading, writing, math, and art!
