CURRICULUM

SPOTLIGHT

nextdoor

We have a friend experiencing the snow.

We talked about how the snow feels and what tools we use to move the snow around.

Capitol - Room G130

1 and 2 Year Olds

The students in 118
explored different colors
while building with blocks.

29th Street – Room 118
1, 2 and 3 Year Olds

Creative Curriculum Studies

nextdoor

Room 65 has been having a ball with the Ball Study.

Terrell shows a huge smile as his bowling ball is about to knock over every pin. Jah'Khari demonstrates his Tiger Woods grip on the golf club. Tranaysia shows off her batting skills.

29th St. - Room 65
Head Start 3 Year Olds

Ready, set, Go-Action picture!

Learning about balls and

trying to figure out
why some balls fly
out and others are
harder to shake out!

Capitol - Room 151

3 year olds

After a classroom
conversation about
love and what it
means to be kind,
students practice cutting curved lines.
These hearts, so carefully fashioned, will
be given to those they love.

29th Street – Room 216
K4

Exercising the small
muscles in our hands
while writing letters and
words in shaving cream.

Fun way to meet so many learning objectives!

Capitol - Room 224

K4

K-5

Common Core

High Lights

These students are doing math
while sitting on chairs of their choice!

Flexible seating in this
classroom helps support
student learning.

29th St. – Room 134

K5

Small group action-working hard to
identify/read sight
words and generate
rhyming words.

Capitol - Room 226
