

Meet the Teacher

About Me

My name is Judy Dodd, I have been working at nextdoor for seven years. I have a Bachelor's Degree in General Education, and a Associate Degree in Early Childhood Education. I have been working in the field of education for twenty eight years, and have had some wonderful experiences. I am looking forward to having a safe, healthy, successful year, working at Next Door.

Schedule

My schedule is Monday through Friday 7:30 am - 4:00 pm. I am located at our Capitol Dr campus. My classroom is located on the first floor room 103.

Personal Statement

Due to the situation that we are experiencing, I know that we have to figure out ways to continue helping our children succeeded. I will do my best working virtually, or in person, teaching my students techniques on how to learn, be healthy, and safe, so that they can succeed.
