About Me

Hello Families! I'm so excited to be working with your children and watching them grow. I have 16 years of experience in child care. I have completed the Next Door Early Childhood Scholars program partnered with MATC in 2018 to receive my CDA in Early Childhood Education. My goal is to assist your child in their journey. I am excited to be working with all of you together as a team for your child's bright future. I am a mother of a 4 year old boy who also attends Next Door Head Start in K4. He loves to keep me busy. I also enjoy spending time with family and friends.

Personal Statement

I've learned that people will forget what you said, people will forget what you did, but people will never forget how you made them feel. If you don't like something, change it. If you can't change it, change your attitude.

Nothing will work unless you do!
