About Me

I have been working with children for over 25 years. I was born and raised in Chicago. I completed eighth grade in 1982. I received my high school diploma in 1986. My children were also born and raised in Chicago until 1991 when we moved to Milwaukee. I attended MATC for my Early Childhood Development classes. I am now in the process of completing my classes for my Associates in Early Childhood Education.

Schedule

Monday - Friday 8:00 am - 3:00 pm

Personal Statement

I am a mother of six adult children, 23 grandchildren and 1 great grand. I enjoy family gatherings and having my grandchildren over occasionally. I really enjoy traveling to visit friends and family. I realized that I wanted to teach after being a volunteer at the preschool that my children attended in Chicago called "Villa Pri". I began my journey in childcare in 1986. My first real experience was here in Milwaukee at "Children's World. I knew that this was my calling, to be a part of young children's journey for learning. Knowing that sharing my knowledge is helping them grow and learn brings a smile on my face. "The child's first teacher is their "PARENTS".
