

# Meet the Teacher

## About Me

My name is Osceola M Tally and I have had the privilege of being a part of the Next Door family since 2018. I have been working with students for over 19 years. But by far, having the opportunity to develop the minds of our future leaders here at Next Door has been the most amazing years of my educational career.

## Personal Statement

I feel that it is very imperative to have a child in an environment that is consistent and safe. Children need to be able to form secure attachments not only with their parents but also their teachers. Simply being in a nurturing environment shapes these types of attachments. I want children to feel comfortable and secure as they would in their own home. I will strive to provide a safe, comfortable, motivating, fun and educational environment with a structured day schedule.
