

Meet the Teacher

About Me

Early Childhood Experience:
I have over 20 years of experience working in Early Childhood Education. I've worked at Urban Day School Head Start Program for 5 years, Noel's Family Child Care Center for 2 years, and this is my 16th year working here at Next Door. Over the years, I've worked with toddlers, preschool, and kindergarten aged children, supporting their learning and academically preparing them for school readiness.

Schedule

I can assist you with supporting your child academic and social development. I am reachable Monday through Friday from 7:30 am - 4:00 pm.

Personal Statement

I am passionate and have dedicated most of my career educating young children. What motivates me the most is seeing children grow and develop. I believe Early Childhood Education is essential for our early learners. Giving them a head start, building their independence, social interaction, and modeling positive problem-solving strategies can help them throughout their life. I am honored knowing that I played an important role in helping them achieve milestones and shaping them to become our future leaders.
