

**Just an FYI on this new resource that came from the Dec. 2020 COVID relief package but is just becoming available:**

Emergency Broadband Benefits:

- up to \$50/month off internet bills (as long as federal health emergency continues)
- up to \$100 to put toward a new computer, laptop or tablet
- eligible households include all SNAP recipients, and all families of F&R students—including CEP schools like MPS
- **applications open May 12**
