

Select bowling centers and schools around the country are participating in the first ever **Kids Bowl Free** program. This program is designed by bowling centers to give back to the community and provide a safe, secure, and fun way for kids to spend time this summer.

Children whose age does not exceed a limit by a participating bowling center are eligible to register for 2 free games each day of the KBF program, all summer long, courtesy of the participating bowling centers along with the schools and organizations.
