About Me

Hey, my name is Masasha Murray. I am the lead early head start teacher in room 15. I love and value education. Teaching and learning with children bring me so much joy! I have three children of my own. I grew up in Wauwatosa, WI. I'm obsessed with sunsets. I love to travel and spend time with my family. My favorite color is green. One of my five year goals is to write a children's book!

Personal Statement

The ability to share knowledge is a superpower! Impacting children in such a positive manner is fulfilling to my soul. I am passionate about inspiring and encouraging children of all abilities to reach their full potential.

Education is one thing no one can take from you!
