

Wisconsin Summer Library Program

The Library Services Team coordinates a statewide summer library program for all ages.

Wisconsin public libraries are able to purchase high-quality program materials at a low cost through state-sponsored membership to the [Collaborative Summer Library Program \(CSLP\)](#). Library staff can create individual [membership accounts](#) through CSLP to access additional online information, including each year's manual and artwork.

Wisconsin public libraries also have access to [Beanstack](#), an online reading platform and mobile app, through a multiyear [statewide contract](#) ending in April 2023.
