

Meet the Teacher

About Me

I have been in the Early childhood field for over 25 years. I have a passion for learning and I enjoy passing that knowledge to my students and their families. 'Head Start' builds stable family relationships, mature children's physical and well-being and establish an environment to develop strong cognitive skills. I want to thank the parents for entrusting the care and educational goals to the One Next Door and myself. I look forward to having a productive, healthy and fun-filled year.
