

Meet the Teacher

About Me

I have been in the field of education for over 40 years.

I have worked in family and group day care settings (10+ years), high school and post high school child care programs (10+ years), and Head Start (10+ years).

Personal Statement

I have a great passion for teaching. I receive great satisfaction from helping students learn and grow.

I like cats, sewing, gardening, walking, putting jigsaw puzzles together, reading and a plethora of other activities. I enjoy spending time with my son, friends and extended family.

I feel privileged to be part of the Next Door Team. Together we can help your child achieve all that he/she can be.

"Teaching is a very noble profession that shapes the character, caliber, and future of an individual. If the people remember me as a good teacher, that will be the biggest honor for me."
