

# Meet the Teacher

## About Me

My background in education goes back many, many years when I owned and operated a family child care business for 18 years. I was given a scholarship from the T.E.A.C.H. program and completed my bachelor's degree at Carroll University in Waukesha.

I was fortunate enough to be part of Project FEST at UWM and earned a master degree in curriculum and instruction as a result of the program which focused on STEM teaching.

## Schedule

My daily schedule is from 7:30 a.m. to 4:00 p.m., Monday through Friday. Please feel free to schedule a meeting with me before school from 7:30 am - 8:00 a.m. or after school from 3:30 pm - 4:00 p.m.

## Personal Statement

My husband, Steve, and I have two grown daughters and two grandchildren. We live in Pewaukee.

Please feel free to contact me or my associate teachers at extension 2339 if you have any questions or concerns.

I would like to sincerely thank you for trusting us to teach your child social skills, academics and instill in them the love of learning! Thank you!
