

Meet the Teacher

About Me

I have been working with children for 17 years. I started in a High School and got a certificate in Early Childhood Education in 2001. In 2007 I obtained my Associates Degree in Early Childhood Education. I have 2 daughters and a son.

Personal Statement

I believe that it takes "A Village to Raise a Child" I Believe there should be a partnership between providers, parents, educators, and the families. As long as everyones focus is on making sure the children are getting the best care possible. The Sky is the Limit, they can do and be whatever they want in life.
