

Meet the Center Director

About Me

I have been in the field of Early Childhood Education for 27 years. I began my career as a volunteer in a Head Start Program, which was the best experience I ever had working with young children. My first job in an Early Childhood was as an Assistant Teacher, from there I moved my way up to a Center Director, which is my current position here at Next Door. I currently hold a Bachelor's in General Education and a Masters in Counseling along with Wisconsin Early Childhood Credentials.
