

Meet the Family Advocate

About Me

I have worked in the human service and social work field since 2001. I enjoy working with children and families and I have been at Next Door since July of 2019 as an Enrollment and Retention Specialist and now a Family Advocate Specialist. I look forward to continue to work with children and families to support their dreams and goals.

Personal Statement

In a world that can be cruel, choose to be kind because we all have adversity and challenges.
