

Meet the Teacher

About Me

will be your child's (EHS) assistant teacher here in room 15. I've been dedicated to teaching young children for the last past 4yrs. I have 2 children which is part of the reason I'm in the education field. I enjoy everyday life to it's fullest.

Fun fact about me is i really enjoy the winter time and going sledding.

Personal Statement

My goal is to focus on bringing positive family and child outcomes to be able to close the achievement gap.
