

Meet the Family Advocate

About Me

I have been working with children and families over ten years and I have been a Nanny for over 10 years. I am a certified in Infant Massage as an Infant Massage Instructor. I also have my Crisis Prevention Training certification. I am a Touch Points Facilitator and I recently graduated with my MBA with the concentration of Healthcare Management. In my spare time I run marathons in different states and avid health information sharer. I love being active and want to inspire the families as well.

Personal Statement

As a Social Service Professional my role is to advocate, create, and coordinate services that provide activities with- families in the communities that foster strength, healthy living, and overall well-being. I will also provide support in a case management style and act as a liaison between families, staff, the community, and other family-related services. I will encourages all family members to become advocates for their children and family. I want to recognize and promote family's readiness and willingness to participate in the program. I will approach all issues with a win-win attitude that respects the dignity of all families. I will build relationships based on mutual trust and rapport.
