

Meet the Reading Specialist

About Me

Gabe was a classroom teacher for seven years (K5, 4th, and 5th grades) before moving into instructional coaching. She coached teachers from Head Start to 8th grade for over four years prior to this position. Gabe received her Bachelor's degrees in History and Politics from Oberlin College in Ohio, and her Master's degree in Elementary Education from Delta State University in Mississippi. Most recently, she completed graduate coursework at University of Wisconsin – Milwaukee to receive her Reading Teacher and Reading Specialist licenses. She is also a 2009 Teach For America corps member (Mississippi Delta).

In her free time, Gabe enjoys cooking and travel. She is a certified scuba diver who loves sharks. She is always on the hunt for spicy food in Milwaukee. She also speaks Spanish and a few words of Mandarin Chinese. Ask her how to say "cheesel" in Mandarin.

Schedule

Monday - Friday 8:00 am - 4:00 pm

Personal Statement

Teachers were some of my first heroes. My favorite teachers impacted my life in significant positive ways. When I began volunteering at an elementary school in college, I saw that not all students had good experiences in school. I wanted to be that positive teacher for children.

I feel strongly that every child deserves access to a great education and to a teacher who cares about them.

As a teacher, I value differentiation, data-driven instruction, and child-centered learning. I am excited to work with young children who need additional support in literacy and language so that I can help them be ready for elementary school. But more importantly, I want them to love reading, writing, and words!
