

# Meet the Teacher

## About Me

Teaching has been my passion for about 13 years. Preschool age is my specialty, but I am excited to explore with the two year olds. I have received my Associate degree in Education, a level 13 on the registry, and also a member of the W.E.C.A. My favorite about teaching is watching the children learn through play, meeting families, creating lesson plans and different techniques to help children exceed. I am very energetic, I have great patience, and unconditional love. I am a mother of 5 boys. We enjoy restaurants, swimming, and amusement parks. Although i love teaching my long term goal is to become a social worker. Thanks again for trusting me with your child.

## Schedule

Monday - Friday 8:00 am - 5:00 pm

## Personal Statement

A child need consistency and guidance. I am very open-minded and understanding. Please call, email/ letters with any question, concerns or praises you may have. I will be professional at all times.

A mind is a terrible thing to waste.

I Ms. Clara promise to do my BEST to HELP their little MINDS grow.
