

Meet the Mental Health Professional

About Me

I am the Mental Health and Disabilities Specialist for the Child Care Partnership. I have been working at Next Door for 7 years. In my position, I monitor Ages and Stages Questionnaires and help facilitate referrals to Birth to Three and the local school district. I also provide positive behavior support in the classrooms when teachers need support with challenging behaviors.

Personal Statement

My goal is to partner with you and your family to find community resources related to mental health, address developmental concerns, and to support positive behavior in the classroom environment.

Michelle Burkart

Schedule

Monday - Friday 8:30 am - 4:30 pm
